

President's Message

Institute's Legacy of Excellence Since 1965 Honoring 60 Glorious Years of Knowledge & Growth.

The empowerment of women through education is essential for building a progressive and inclusive society, and Kamla Nehru College for Women remains firmly committed to this mission. The college fosters academic excellence along with holistic development, creating a supportive environment where students gain knowledge, confidence, and the skills needed to succeed in today's dynamic world.

Learning here extends beyond the classroom. Students are encouraged to actively participate in co-curricular activities, community service, and leadership initiatives that help them grow into responsible, aware, and well-rounded individuals. A strong academic foundation, combined with exposure to diverse opportunities and evolving global perspectives, prepares them to face challenges with confidence and clarity.

The strength of the institution lies in its dedicated team. Under the able leadership of Director, Academics Dr. Savinder Pal, the college continues to move forward with vision and purpose. The sincere efforts of the faculty, committed non-teaching staff, and efficient administration together create a nurturing and inspiring learning environment where students can truly thrive.

As we continue our journey of excellence, we remain focused on nurturing talent, encouraging innovation, and upholding the values that define quality education. I invite you to be a part of Kamla Nehru College for Women, where every student is encouraged to learn, grow, and transform her aspirations into meaningful achievements.

With Best Wishes

Mr. Dhiraj Sardana
President
